

**M. S. JACOBS & ASSOCIATES, INC.**  
**EQUIPMENT ENGINEERS**

Stocking Rep/Distributor for:

- Wika
- Fairchild
- BriskHeat

Website: [www.msjacobs.com](http://www.msjacobs.com) • Email: [sales@msjacobs.com](mailto:sales@msjacobs.com) • Phone: **585-344-0102**

|  |                                                                                                                                                 |  |                                                                                                |
|--|-------------------------------------------------------------------------------------------------------------------------------------------------|--|------------------------------------------------------------------------------------------------|
|  | <p>Air Dryers, Desiccant, Filters and Elements, Absorbers, Dehydrators</p>                                                                      |  | <p>Eductors, Armored Gages, Sight Flow Indicators, Sight Windows</p>                           |
|  | <p>Wireless Products, Analog Monitoring, Discrete Input, Non-Hazardous and Hazardous Area</p>                                                   |  | <p>Y and Basket Strainers, Automatic Strainers, Spectacle Blinds</p>                           |
|  | <p>Pressure and Temperature Switches</p>                                                                                                        |  | <p>Precision Pneumatic Controls, Valve Actuation, Solenoid Valves, Transducers</p>             |
|  | <p><b>Tricor</b> - Coriolis Flow Meters<br/> <b>JVH</b> - Gear Meter<br/> <b>ProScan</b> - Turbidity Sensor<br/> <b>SRZ</b> - Helical Meter</p> |  | <p>Solenoid Valves, True Union Valves, Timers, Strainers</p>                                   |
|  | <p>Pressure and Temperature Transmitters, Vortex and Magnetic Flow Meters, Control Valves</p>                                                   |  | <p>Expansion Joints, Flexible Rubber Connections</p>                                           |
|  | <p>Flexible Heating Solutions</p>                                                                                                               |  | <p>Miniature Electric Actuators, Multi-Turn, Fail Safe, 1/4 Turn, Linear</p>                   |
|  | <p>Pressure, Differential Pressure, Level, and Flow Instrumentation</p>                                                                         |  | <p>Gas Detectors, HVAC Controls, Humidity Sensors, Horns and Strobes</p>                       |
|  | <p>Pressure Regulators, Control Valves, Tank Blanketing Valves</p>                                                                              |  | <p>Rotameters for Industrial, Commercial, and OEM Applications</p>                             |
|  | <p>Y and Basket Strainers, Steam Traps, Check and Butterfly Valves</p>                                                                          |  | <p>Venturi, Orifice Elements, DP Transmitters, Flow Conditioners, Wedge and Nozzle Flow</p>    |
|  | <p>Brass and Stainless Steel Ball Valves, Iron Butterfly Valves, Pneumatic and Electric Actuators</p>                                           |  | <p>Stainless Steel, Carbon Steel, Specialty Alloy Valves, Pneumatic and Electric Actuators</p> |
|  | <p>Pressure, Velocity, Flow, Level, Temperature, Humidity, and Process Control Instruments</p>                                                  |  | <p>Thermal Mass Flow Meters for both Liquids and Gases</p>                                     |
|  | <p>In-line Variable Area Flow Indicators with Switches and Transmitters</p>                                                                     |  | <p>Pressure Gauges, Diaphragm Seals, Transmitters, Bimetal Thermometers, RTD's</p>             |
