

**M. S. JACOBS & ASSOCIATES, INC.**

**EQUIPMENT ENGINEERS**

Stocking Rep/Distributor for:

- Magnetrol
- Fairchild
- Wika
- BriskHeat

|                                                                                     |                                                                                                 |                                                                                      |                                                                                                  |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|
|    | Distributed I/O, Signal Conditioners, Ethernet I/P, and Splitter/Isolators                      |    | Precision Pneumatic Controls, Valve Actuation, Solenoid Valves, Low and Medium Pressure Fittings |
|    | Air Dryers, Desiccant, Filters and Elements, Absorbers, Dehydrators                             |    | Solenoid Valves, True Union Valves, Timers, Strainers                                            |
|    | Guided Wave Radar, Thermal Mass, Ultrasonic, Buoyancy, MLI's, Magnetostrictive                  |    | Miniature Electric Actuators, Multi-Turn, Fail Safe, 1/4 Turn, Linear                            |
|    | Pressure and Temperature Switches                                                               |    | Gas Detectors, HVAC Controls, Humidity Sensors, Horns and Strobes                                |
|    | Coriolis Flow Meters, Helical, Rotary Piston, Variable Area, Turbidity Sensor                   |    | Rotameters for Industrial, Commercial, and OEM Applications                                      |
|  | Pressure and Temperature Transmitters, Vortex and Magnetic Flow Meters, Control Valves          |  | Multiphase Measuring, Water Cut Measurement, Emission Reduction                                  |
|  | Flexible Heating Solutions                                                                      |  | Orifice Plates, Thermowells, Needle Valves, and Manifolds                                        |
|  | Pressure Regulators and Tank Blanketing Valves                                                  |  | Low, Medium, High Pressure Fittings, Pneumatic Pumps, Liquid Pumps, Boosters and Amplifiers      |
|  | Brass and Stainless Steel Ball Valves, Iron Butterfly Valves, Pneumatic and Electric Actuators  |  | Meriam Process Technologies Measurement & Calibration Solutions                                  |
|  | Metal Strainers including Automatic Backwash Strainers, Bag Filters and Bags, Automatic Filters |  | Venturi, Orifice Elements, DP Transmitters, Flow Conditioners, Wedge and Nozzle Flow             |
|  | In-line Variable Area Flow Indicators with Switches and Transmitters                            |  | Stainless Steel and Carbon Steel Valves, Pneumatic and Electric Actuators                        |
|  | Eductors, Armored Gages, Sight Flow Indicators, Sight Windows                                   |  | Pressure Gauges, Diaphragm Seals, Transmitters, Bimetal Thermometers, RTD's                      |
